

Elshaarawy Hassan

Flutter Developer

@ elshaarawyhassan7@gmail.com P +2010133486 in LinkedIn G GitHub * Zagazig, Sharqia, Egypt

S SUMMARY

Flutter Developer passionate about building high-performance mobile applications using Flutter and Dart. Skilled in Clean Architecture, BLoC/Cubit state management, RESTful APIs, Supabase, Firebase, and writing clean, maintainable, testable code.

K SKILLS

- ▶ **Flutter, Dart** — primary stack
- ▶ **BLoC / Cubit** state management
- ▶ **Firebase** — Auth, Firestore, Storage
- ▶ **Hive, Shared Preferences** for local storage
- ▶ **OOP, Data Structures, Problem Solving**
- ▶ **Clean Architecture, MVVM, SOLID**
- ▶ **Supabase** — Auth, Database, Storage
- ▶ **RESTful APIs, Dio**
- ▶ **Git & GitHub** version control
- ▶ **Responsive UI, Animations, RTL**

P PROJECTS

Foodgo App

NEW

GitHub ↗

Modern food ordering e-commerce app with product catalog, cart, order summary, secure checkout, and user profile. Built on Clean Architecture with Supabase backend, BLoC/Cubit for state management, and a fully responsive UI.

Flutter Dart Supabase BLoC Cubit Clean Architecture E-Commerce

E-Commerce App

GitHub ↗

Online shopping app with user authentication, cart management, order tracking, and real-time updates using Firebase and REST APIs with BLoC/Cubit state management.

Flutter REST APIs Firebase BLoC Cubit

Rahhla App

GitHub ↗

Travel booking app enabling users to search and book tickets for their destination with real-time availability.

Flutter REST APIs Cubit

Makzen Pro

GitHub ↗

Warehouse management app with stock tracking, inventory, and reporting dashboards.

Flutter Firestore Clean Arch Cubit

Modrak App

GitHub ↗

Educational platform app delivering structured courses and progress tracking.

Flutter Dio REST API Hive Cubit

Dar Alarkam App

GitHub ↗

Beautifully designed Arabic Quran & Adhkar companion with dark mode, Surah indexing, Tasbeeh counter, RTL support, and local data persistence.

Flutter Firebase RTL SharedPrefs Cubit

C COURSES & CERTIFICATES

- ▶ **Mastering Programming** — Udemey Academy
- ▶ **Flutter & Dart Development Complete** — Udemey
- ▶ **Deep Dive: Clean Architecture in Flutter** — Udemey
- ▶ **E-Commerce App: Flutter & Firebase** — Udemey

E EDUCATION

Bachelor of Computer Science — El Shorouk Academy

Grade: Good | Expected 2026
